‘The Modern Game’ renews Creative App Solutions as its exclusive iOS Developer and awards 2015-2016 season annual support contract.

New York, October 23, 2015 - Creative App Solutions, LLC, today announces that ‘The Modern Game’ (TMG) has entered into an annual support agreement and named Creative App Solutions as their exclusive iOS Developer for its 2015-2016 football season.

Melbourne, Australia based TMG has created a suite of top-rated Australian Rules Football related apps. The suite consists of ‘Stats Tracker’, ‘Umpire Tracker’ and ‘Coaching Clipboard’ apps. Each was custom designed for Coaches, Umpires and fans of the sport.

Creative App Solutions develops custom iOS apps for consumer and enterprise markets. Dedicated to delivering highest quality applications and supporting clients for long-term development, deployment and technical support projects.
