

# Privacy Policy

Last updated: June 18, 2026

Creative App Solutions LLC ("we," "our," or "us") operates the Project Code Counter macOS application (the "App"). This page informs you of our policies regarding user privacy and data handling when you use our App. [1, 2, 3]

## 1. Information Collection and Use

We respect your privacy. Our App is a standalone utility designed specifically for developers. We do not collect, store, use, or share any personal data, anonymous analytics, crash reports, or device information whatsoever. <sup>[1]</sup>

All operations performed by the App are executed locally on your machine. Any files or data you process using the App remain strictly on your local device. <sup>[1]</sup>

## 2. Third-Party Services

We do not use any third-party frameworks, analytics services, or advertising networks that collect or transmit user data off your device. <sup>[1, 2]</sup>

## 3. Support and Communication

If you choose to contact us directly via email for support or feedback, we will only use your email address and the contents of your message to reply to your inquiry. We do not use your contact information for marketing purposes, nor do we share it with third parties. <sup>[1]</sup>

## 4. Changes to This Privacy Policy [1]

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page. You are advised to review this Privacy Policy periodically for any changes. <sup>[1, 2]</sup>
